FIRST PARLIAMENT FOR SOUTH AFRICA

Federal Parliament of the Union of South Africa, in the name of King George. The latter, it may be recalled, would have gone himself, with his consort and his daughter, to fulfil this duty, had it not been for the death of his father, and his own succession to the throne. In fact, all the arrangements had already been made for the trip, and an ocean liner chartered for the occasion and transformed into a royal yacht. Prince Arthur, before proceeding to South Africa, is "William J. Bryan, lecturing before the Young Men's Christian Association at Bradford, created a laugh at the expense of Mr. Roosevelt, whom, however, he did not name, by saying that when he (Bryan) was traveling in a foreign country he did not discuss that country's politics, because, as an outsider, he did not regard himself as sufficiently informed to enable him to discuss politics with intelligence. Moreover, as a guest of a foreign people, he over, as a guest of a foreign people, he fore proceeding to South Africa, is

It seems difficult to realize that as late as 100 years ago, that is to say, in 1810, some of the leading physicians in England, in attendance upon Queen Charlotte and holding office at court as her medical advisers, were prescribing extract of nummy, that is to say, drugs in which the powdered remains of the Egyptian Pharaohs constituted the chief ingredient. Half a century of the Egyptian Pharaohs constituted the chief ingredient. Half a century later, that is to say, as recently as in 1860, powders obtained through the crushing of mummies were still sold as medicine by the principal pharmaceutical chemists of Austria and Hungary.

In order to account for this employment of Egyptian mummies for the
